At Scotia Capital, we believe that our high research analyst standards, together with our comprehensive compliance and disclosure policies, are crucial for consistently achieving high rankings in objective industry surveys. In fact, our analyst standards and disclosure policies already exceed current regulatory requirements. So it's not surprising we have earned a solid reputation for the integrity, objectivity and independence of our research. With fast and easy access through our on-line proprietary research delivery channels, research publications and industry conferences, Scotia Capital is your strongest link to objective, actionable and value-added ideas.

If you're looking for a creative, flexible and innovative approach to success, we should be talking.
