

imagine!

Imagine all our kids growing healthy and happy, with equal access to high-quality education and health care.

At Scotia Capital, we are helping make this a reality. On February 26, 2009 we are hosting our annual Charity Trading Day, when all agency commissions generated from institutional equity trading will be donated to various charity organizations that encourage the social, emotional, intellectual and physical health and well-being of children and young people across Canada.

Thanks to our institutional clients' generosity, we have contributed over \$5 million to the well-being of our children since 2002.

Let's build their future together.
